

Comet

Product Specs

Since 1902, Comet Rice has been a favorite among good cooks and their families. Originating in Galveston, Texas, Comet was the first rice to be packaged in consumer size boxes. Today Comet remains a consistent high quality rice, and is available in long grain white, long grain brown, and calrose medium grain. Comet is a brand leader in the Southeast and Southwest United States.

+ Product available to West Coast customers only; from Maxwell, CA Plant.

* Weight increased by 60 lbs and Height increased by 5" to accommodate pallet. All pallets measure 40" x 48".

ARI's Modern Milling Technology

ARI's gentle water polish milling produces a cleaner, smoother and whiter grain of rice. Vertical whiteners and electronic sorting equipment further enhance the quality, appearance and cooking characteristics. Products are freshly milled and packed at time of order.
